RACE #1 BRUNDAGE MOUNTAIN | AUGUST 21-22, 2026

VOLUNTEERS NEEDED

Race day would not be possible without the incredible work of our volunteers. It takes a “village” to put on quality youth mountain bike races.

ALL of our volunteer positions are fun and straightforward. With the help of our Race Volunteer Guidelines [HERE](#) and onsite review with one of our staff members, you'll feel confident and well-prepared to volunteer. Sign-ups for all volunteer positions open two weeks before the race.

REMEMBER! Team Pit Zone access times for site selection/set-up will be based on the number of volunteers each team provides. To be counted toward your team total, you must register for your desired position(s) using the link we send out prior to each race. For every six “Practice Ready” student athletes on your team, each team needs to provide one volunteer.
